LIFEGUARD CERTIFICATION

AQUATICS

Open to **ages 15 and older** (participants must turn 15 by the last day of the course). This class prepares participants to prevent, recognize, and respond to aquatic emergencies, as well as care for breathing and cardiac emergencies, injuries, and sudden illness until emergency medical services (EMS) arrive.

A prerequisite swim test will be completed on the first day of class. Participants must successfully complete a 150-yard continuous swim, a 2-minute hands-free tread, and a 50-yard swim. Additionally, participants must retrieve a 10 lb. brick from the bottom of the pool, return to the wall, and exit the pool within 100 seconds.

This is a blended learning course. Access to the course will be sent after registration. Online learning is required to be completed by the start of the course.

On successful completion of the Lifeguard course, participants will receive an American Red Cross certificate for Lifeguarding, First Aid, and CPR/AED. Attendance of all scheduled dates and times is required.
